## SHAKESPEARE'S UKULELE COMEDY MUSICAL "ROMEO AND JULIET"

Good Gentlefolk, attend if you will an interpretation of Romeo and Juliet , a tale of star crossed lovers illustrated with 30 songs from 13 ukuleles, bass and drums. Romeo joins the Foreign Legion, 3<sup>rd</sup> Armoured Ukulele Division, to try to forget the lovely Juliet, but can't get her out of his mind. Will a ukulele serenade beneath her yuppie apartment balcony save the day ? Will Juliet forgive his ill-advised visit to the Moulin Rouge?
